

ARTICLE PROCESSING CHARGES BY COUNTRY

Standard APC: US\$500, charged only after acceptance. No submission, page or colour figure fees. The rate depends on the country of the corresponding author, based on the World Bank income classification in force from 1 July 2026 to 30 June 2027. A full waiver applies to low-income countries on the World Bank FY2027 Public FCV List or Institutional Fragility List.
